

Largo Flying Club Board of Directors Meeting
Minutes of 6/3/2014

Present were Kevin Day, Dave Gearheart, Paul DeSocio, Steve Wofsey, Frank Foster, John Miller, Mike Adams, Ray Crumrine, and Mary Tittle

1. A/C at the field

Steve Wofsey reported that he has not received the estimate from the contractor regarding A/C at the field. He will follow-up.

2. Vandalism at the field

The gate lock has been changed.

3. Field work

The field work done will be reported at the general meeting.

4. Website

There is a link on the website for the previous meeting minutes and newsletters.

5. Flight Instruction

There is an issue with new pilots who are able to fly in "safe mode" on the Apprentice but not in "regular mode". To be qualified, members must demonstrate solo flight on planes without any electronic aids, such as the safe mode on the Apprentice.
