

Largo Flying Club Board of Directors Meeting
Minutes of July 5, 2016

Present were Dave Gearheart, Ted Wojciechowski, Tim Wojciechowski, Steve Wofsey, Ray Crumrine, Steve Philbin, John Miller, Larry Title, and Mary Tittle

1. Size of aircraft

Discussed the issue of the size of planes for our field. The question is whether there is a size of plane that is not appropriate for our field. It was felt that we needed to discuss the issue now in order to be aware if a problem occurs. It was felt that at some point the Board might have to determine the appropriateness of a large plane for the size of our field. No decisions or recommendations were made.
