

Largo Flying Club General Meeting  
Minutes of August 1, 2017

Meeting called to order at 7 pm by President Wojciechowski. There were 21 members present.

1. Minutes of the June 6, 2017 meeting were read and approved. Motion to accept by Steve Philbin, seconded by Tim Wojciechowski. Motion carried.

2. Reports from officers:

- a. Vice President Ray Crumrine reported that weather permitting, there will be a fun fly this Saturday. Events will be cut your tail, land in the circle, and musical chairs. There will be combat.
- b. Secretary Mary Tittle had no report.
- c. Safety Officer Tim Wojciechowski had no report.
- d. Field Maintenance Officer Robie Riggle was not present.
- e. Chief Flight Instructor Dave Gearheart was not present.
- f. Youth Program Director Larry Tittle reported the summer camp was successful. There were nine children. He gave a summary of the week. He thanked all the volunteers for all their time and effort. The final TAG report was completed for AMA.
- g. Webmaster John Miller was not present.

3. Old Business

- a. Ceiling fans: A ceiling fan was purchased. It works well at the field. However, the blades are brittle, it would need a separate circuit to turn off, and the fans should not be left out as they could easily be stolen. The fans would have to be put up and taken down each time used. We will not pursue purchasing additional fans.
- b. Wash out area at east end of the pit area: Repair on this area will be on hold until cooler weather.
- c. HD camera: The old HD camera started working so a new one was not purchased. Motion to purchase an additional HD camera for the runway, not to exceed \$100.00 by Larry Tittle, seconded by Kate Philbin. Motion carried.

4. New Business:

- a. New Members/Guests: Ethan Deweese
- b. Gate lock: A new gate lock was purchased and reattached to the gate.
- c. Barbecue: We are considering having a catered barbecue at the field.
- d. Swap meet: Ron Cheshire reported the swap meet will be November 18. He will pursue the advertising in the AMA magazine and doing flyers. We will provide hot dogs and soft drinks at no charge.

6. Open Floor: One member asked to be sure he is included on the e-mail list.

6. Show and Tell

- a. Ed Rouisse had a variety of angle blades made with x-acto blades and popsicle sticks.
- b. Ron Cheshire had an AvantiS.
- c. Ed Meneese had a scratch built mini B model Rick Stick.

Motion to adjourn at 7:55 pm by Kathy White, seconded by Ray Smith. Motion carried.

Respectfully submitted by Mary Tittle
